THRIVE  
(SATIVA)

Extremely pungent in your face cherry and grape jolly-rancher smell, one of our highest terpene cultivars and boy does this one stink oh so good! Expect to get slapped in the face with a wonderful explosion of fruit and candy!

Featuring flavors of berries, citrus, and candy this cultivar is sure to bring the flavor you are looking for from the overwhelming aroma. If you don't like loud weed, this may not be the one for you.

Effects for this line tend to bring a sensation of euphoria and happiness with a relatively clear mental focus aspect that helps keep your day moving productively with a smile! Also reported to offer relief with anxiety, depression, and pain for those looking to separate from their ailments.

Note: Woodball Cut.
